

The next evolution in the award-winning Rinnai Evolve range has emerged

# The Rinnai Evolve 951

**Rinnai**

**SLIMMER DESIGN**

Offering the same level of flexibility as the Rinnai Evolve 950, the Rinnai Evolve 951 now features a slimmer design. The outer frame of the Evolve 951 fire has been reduced by 25mm on both the top and sides and by 15mm on the base. The Evolve 951 provides a modern impact to any room and still boasts our highest heat output with up to 8.1kW, allowing it to heat spaces up to 125m<sup>2</sup>. Choices of burn media options – Silky Oak Logs or Glowing River Stones offer you the ability to reflect your personal style.

**Rinnai Evolve 951 Blk on Blk, R2773**

- **Design:** Simple profile landscape frame. Modern burn media or traditional logs with a choice of two fascias
- **Installation:** With wheels inbuilt on the fireplace, the unit can be pushed into place after plastering and gibstopping is complete.
- **Air quality:** Approved by the sensitive choice program of the Asthma Foundation
- **Features include:** Thermostat control, set and forget dual timer, child lock
