

Evolve 1253 ordering guide

1. Select gas type (engine)		
	Evolve engine NG	RHFE1253N
	Evolve engine LPG	RHFE1253L
Supplied with the engine is the remote control with batteries, screw pack, cable tie, frame mounting screws, granule packs, and gas connection		
2. Select frame option		
 	All black frame	R2708
	Stainless steel on black frame	R2709
3. Select burn media		
 	River stones	R2782
	Oak log set	R2783
4. Select flue components		
	Direct flue kit	ASPDFK
	Evolve adaption flue kit	EVOKIT03
	Vertical terminal (roof cowl)	ESROOFCOWL
	Flue pipe 900 mm	ESPIPE900
 	Wall terminal kit	ESWTERM
	45 ° flue bends (two in a kit)	ESBEND
	Wall plate	ESPLATE
	Steel flue guard	R1370
	Condensate trap	ESCONDK
The condensate trap is included with the EVOKIT03. It only needs to be ordered separately if doing through-wall vertical flueing (not common)		
5. Select optional accessories		
 	Black reflector panel kit	R2787
	Black mesh guard	R2788
