

## RINNAI CERTIFICATION OF COMPLIANCE

### Certificate of Conformity

**Certificate No.:** NSF0001

**Revision No.:** 05

**First Issued:** 06/11/2025

### This is to certify that:

Rinnai New Zealand Ltd  
105 Pavilion Drive  
Airport Oaks, Mangere

has demonstrated that its **hot water product range** (as per list of products on the following pages) complies with the requirements of:

### **NSF/ANSI 372-2022 – Drinking Water System Components Lead Content - Clause 3 & 4**

This standard limits the weighted average lead content of wetted surfaces of pipes, pipe fittings, plumbing fittings, and fixtures to a maximum of 0.25 percent, as required under the Safe Drinking Water Act.

This certification is based on product evaluation and testing carried out in accordance with the procedures established by the NSF/ANSI 372 standard. Ongoing compliance is maintained through periodic audits, production monitoring, and/or testing.

**Product Category:** Water Heating Systems

**Products Covered:** Rinnai-branded water cylinders, instantaneous gas water heaters and hot water heat pumps, for full list of tested products see list of products codes on the following pages.

**Standard Evaluated To:** NSF/ANSI 372-2022 clause 3 & 4

This Certificate remains the property of Rinnai Corporation and is valid subject to continued compliance with the applicable requirements and relevant certification terms and conditions.

---
